

JASPER SCHOOL DISTRICT IMMUNIZATION VERIFICATION

Jasper, Arkansas

I understand that _____ is being enrolled in Jasper schools on a conditional basis pending the receipt of records from the school that he/she last attended. The laws of the State of Arkansas allow a provisional admittance of 30 days from the date of enrollment in order for the student to produce documentation of the required immunizations. If records from that school do not include satisfactory evidence of immunizations required by the State of Arkansas, the student will be suspended from school until an immunization program is started.

Below is a listing of the immunizations *required* by the State of Arkansas in order to enroll in a public school:

- 4* – DTP (Diphtheria, Tetanus, Pertussis) – last shot must be on or after the 4th birthday.
**Kindergarten students must have received 4 doses.*
- 1—Tdap – on or after 11th birthday as of September 1st each year
- 3 – Polio – last shot must be on or after the 4th birthday
- 2 – MMR (measles, mumps, rubella) – on or after 1st birthday
- 1 – Hepatitis A – for all Kindergarten and 1st grade, one dose on or after 1st birthday
- 3 – Hepatitis B: 3 for all Kindergarten, 2 or 3 for 1-12 grade (11-15 yr olds could be on a 2-dose schedule)
- 2 – Varicella (Chicken Pox) – on or after the 1st birthday (or physician's note with history of disease)
- 2 –Meningococcal – 1st dose by 7th grade, second dose at age 16 (as of Sept 1st of each year) or 1 dose if not vaccinated prior to age 16 yrs

Signature below documenting student has had disease will be accepted.

Parent Signature

Date

Kindergarten thru 7th grade students only:

Has your child ever had chicken pox disease (varicella)? Yes No

If yes, date of disease: ____/____/____ (must have physician's note for exemption)
